DETAILS: In 2010, Miro Consulting will host its popular “Open Q&A” webinar series on Oracle licensing, procurement and compliance. Each webinar event will consist of audience submitted questions, which will be answered on a "first come, first serve" basis by Eliot Colon. Eliot is actively involved in licensing discussions, disputes and management of Oracle assets on behalf of clients. Some topics that may be addressed during the series include:

- Changes in licensing
- Pre-planning for Oracle procurement
- Concerns over vendor audits
- Compliance issues
- Best practices for software asset management
- Concerns over the changing dynamic environment from mergers and acquisitions (M&A) to divestitures

Each webinar is held for 30 minutes and questions can be submitted when registering, as well as during the webinar.
